#### Office for the Prevention of Harassment & Discrimination (OPHD)

- This is UCSF's Title IX Office. This is where you file complaints relating to sexual harassment and sexual violence and harassment and discrimination based on other protected categories, including age, disability, gender, national origin, race, sexual orientation, etc. It is staffed by experts who will respond within a few days of receiving the complaint. They attempt to meet with the complainant within 1-2 weeks
- Please be aware that if you submit a complaint as a mandatory reporter, you may not be notified of the outcome. Reports submitted to OPHD are kept as confidential as possible; however, a respondent has the right to know the identity of the complainant whenever a matter proceeds to a formal investigation
- We encourage erring on the side of reporting, as complaints are logged and numerous reports of seemingly innocuous behavior may reveal a pattern of behavior that cumulatively results in a policy violation
